2. SIGNIFICANT ACCOUNTING POLICIES (Cont'd.)

(b) Intangible Assets and Amortization

Expenditures related to the development of the Society's website are capitalized and measured at cost, net of accumulated amortization. Amortization is provided on a straight-line basis over 5 years.

Membership fees are included in revenue over the period of the subscription. Membership fees received in advance for future subscriptions periods are recorded as deferred revenue.

Donations are recorded as revenue upon receipt.

Interest income is recognized on the accrual basis.

(d) Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expense and disclosure of contingent assets and liabilities. These estimates are reviewed periodically and adjustments are made to net revenue (expense) as appropriate in the year they become known.

(e) Financial Instruments

The Society's financial instruments consist of cash, investments, accounts receivable and accounts payable and accrued liabilities.

Measurement

Financial instruments are recorded at fair value on initial recognition.

The Society subsequently measures all of its financial instruments at amortized cost.
