

10:45–12:00 Session 2B

Speaker: Lynn Palermo —*Leaving a Legacy: Creating a Family History Book*

Chair: Susan Davis

In this lecture, Lynn discusses the anatomy of a great family history book. Along with a brief look at copyright and permissions, she explains how to determine the scope of the book, explore a variety of page options and elements to include, assess the potential cost, develop a production team, and create a plan to keep the project on task and on time.
