BIFHSGO's vision:
To connect, educate, share
and inspire

Land acknowledgement

The British Isles Family History Society of Greater Ottawa acknowledges that its activities take place in the ancestral homeland of Indigenous people who have inhabited these lands for millennia. We acknowledge the enduring presence here of all First Nations, Métis and Inuit people. We recognize the importance of bringing awareness and understanding of our diverse nation's past to all, and we promote research and education programs that bring us together as Canadians.
